Buenos Aires 2018

Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

Youth Olympic Competition Format

The Sailing competition at the Summer Youth Olympic Games Buenos Aires 2018 comprises five medal events with athletes sailing in one or two person boats. There are three different classes of boats. Each NOC is permitted to enter three athletes of each gender.

Windsurfer and Mixed Two-Person Multihull classes have a target to reach 12 races (Opening series) plus the Final Race. In the opening series, one or more of the races may be competed as a slalom consisting of heats, semifinals and finals.

The kiteboarding events have athletes competing directly against each other. Heats are made up of four or six athletes.

All races are conducted around a course of marker buoys laid out by the Race Committee. There may be one, two or possibly three laps required to complete a race. The Race Committee will decide on how many laps are required immediately prior to the start of the race, and this depends upon wind conditions and the length of the course.

Differences between the Youth Sailing World Championships and the Summer Youth Olympic Games

At the Youth Olympic Games there are five events and 100 athletes. At the Youth World Championships there are nine events and in 2017 there were 374 athletes from 60 nations. The five events of the Youth Olympic Games will sail more races with shorter target times, all other areas of competition format are the same in terms of the courses sailed and the Rules.

Changes since the Summer Youth Olympic Games Nanjing 2014

Events Byte CII - Men's One Person Dinghy and Byte CII - Women's One Person Dinghy have been removed from the Youth Olympic Games program. Events Mixed Two-Person Multihull - Nacra 15, Men's Kiteboarding - IKA Twin Tip Racing and Women's Kiteboarding - IKA Twin Tip Racing have been added to the YOG program.

Sport Rules and Procedures

Judging

The action in Sailing is spread out over a wide area with up to 20 boats all taking different routes in order to sail the course as fast as possible, therefore direct judging is. Sailing has a system of "self-policing" whereby if a team feels that they have been infringed by another team on the water, they can call to the other boat to sail a penalty turn (sailing in a tight circle once or twice, commonly referred to as a "360" or "720"). If the team fails to accept the penalty, or an official observes an infringement of the rules, a "protest" is filed by the competitor or official after racing has finished and a hearing is convened. There is a time limit of one hour after the end of racing for the day in which a protest may be filed with officials; therefore, it is quite common for results to be amended one to two hours after the completion of racing. Protests are more common than in most other sports and are a normal part of the sport. The most common rule infringements for disqualification are when two boats are crossing on opposite tacks and when rounding marks.

Competition format

• Windsurfer - Techno 293+ and Mixed Two-Person Multihull - Nacra 15

Opening Series

- All participating boats will race in the opening series races
- A boat's series score for the opening series will be the total of her race scores from the opening series races, with her worst score or scores discarded

Final Race

- All participating boats will advance to the Final Race
- Boats will carry their series scores through to the Final Race
- Race scores for the Final Race will be added to the series score. Scores for the Final Race cannot be excluded.
- Any series tie after the Final Race will be broken in favour of the boat finishing higher in the Final Race
- If the Final Race is not completed, medals will be awarded based on the series score for all prior races. If two or more boats are tied on overall points at the end of the competition, a two-stage tie break procedure is used. Ties are broken in favour of the boat who has:
 - The highest number of first places, then second places, etc.
 - Achieved a higher placing in the last race of the event

Slalom Races – Windsurfer – Techno 293+

- This format may be used at the discretion of the Race Committee
- A slalom format race is made of a first round of four heats, followed by semifinals and finals
- A complete slalom format race (heats and finals) is equivalent to one fleet race
- At least one fleet race should be sailed before any slalom racing
- The final race will not be a slalom format race
- Boats' overall points will be used to seed them into the first round heats
- The "low point" scoring system will be used to incorporate the slalom race results into the overall results (e.g. winner is awarded one point, 2nd place two points...)

• Kiteboarding - IKA Twin Tip Racing

Opening Series

- All participating athletes will race in the opening series races
- Each race in the opening series consists of a first round of two heats, followed by finals
- The best three athletes in each heat of the first round will advance to Final A. Remaining athletes will advance to Final B.
- Rank after each race of the opening series is calculated based on the scores of Final A and Final B. Athletes who compete in Final A are ranked above athletes who compete in Final B.
- The opening series score will be the sum of her race scores, excluding her worst score when three races are completed, her two worst scores when five races are completed, her three worst scores when eight races have been completed, her four worst scores when 11 races have been completed and five worst scores when 16 or more races are completed.
- The eight best ranked athletes at the end of the Opening Series will advance to the Final Race

Final Race

- The Final Race consists of semifinals, followed by finals
- Overall points during the opening series will be used to seed the athletes. Athletes ranked 1, 4, 5, and 8 will progress to Semifinal 1, the remaining athletes will progress to Semifinal 2.
- Each semifinal consists of two heats. Athletes will be ranked based on their rank in the opening series and their rank in each heat of the semifinals. The best two athletes from each semifinal will progress to the Final, the remaining athletes will progress to the Petit Final.
- Each final consists of only one heat. Overall places from 1 to 4 will be determined by the rank in the Final (winner is ranked 1st, second place is rank 2nd, etc.). Overall places from 5 to 8 will be determined by the rank in the Petit Final.

Scoring

- Scoring uses a "low point" scoring system whereby the winner of each race is awarded one point; second place is awarded two points, etc. Failure to finish the race, or a disqualification, earns the competitor a number of points equal to the total number of competitors plus one, e.g. if there are 20 boats, failure to finish the race would earn a team 21 points.

Case Decision

As of SUN 7 OCT 2018 at 19:13

Case No. 1

Event: Men's Windsurfer - Techno 293+	Race(s): 1
Initiator: GBR	Respondent: FRA
Protest details: rounding Mark 3	
<p>Facts found:</p> <p>Race 1, mark 3.</p> <p>GBR starboard inside approaching mark 3 in 4th position.</p> <p>FRA port.</p> <p>GBR gybe to port, clear ahead.</p> <p>A contact occurs between the bow of FRA and the stern of GBR. The contact causes GBR's sail to fall into the water.</p> <p>After, FRA gybe to starboard and gybe again to port. GBR still at the mark. FRA is now overlap inside.</p> <p>FRA made contact with GBR board and the mark. FRA round the mark inside and ahead of GBR.</p> <p>Before GBR recovers her sail, two more boats passed her.</p> <p>No damage.</p> <p>No boat took penalty.</p>	
<p>Conclusion:</p> <p>FRA clear astern at the time GBR rounds the mark, failed to give GBR mark-room as required by rule 18.2(b). GBR is entitled to redress because her finishing position was made significantly worse by the action of FRA who was breaking a rule of part 2 and cause her to capsize, through no fault of her own.</p>	
<p>Rule(s) applicable: 18.2(b); B5.62(b)</p>	
<p>Decision:</p> <p>FRA DSQ</p> <p>Redress granted: GBR is to be scored in 4th position.</p> <p>No other boats' scores are changed.</p>

Case No. 4

Event: Men's Windsurfer - Techno 293+	Race(s): 3
Initiator: SGP	Respondent: NZL
Protest details: Leg 5	
<p>Facts found:</p> <ol style="list-style-type: none"> 1. Pumping conditions, around 5 knots of wind 2. SGP and NZL sailing on downwind, approaching mark 3p before going to the finish 3. SGP on starboard tack, NZL on port tack. 4. SGP inside overlapped, half a board length behind, sailing directly to the mark. 5. NZL luffed to round the mark. Shortly after contact occurred between the bow of SGP and the middle of the port side of NZL. 6. There was no damage or injury. 7. No board did a penalty turn. 	
<p>Conclusion:</p> <ol style="list-style-type: none"> 1. NZL, outside overlapped at the time she started rounding the mark, failed to give mark-room to SGP as required by RRS 18.2(b) as changed by RRS B2.18 2. NZL on port tack failed to keep clear of SGP on starboard tack breaking RRS 10. 3. NZL failed to avoid contact as required by RRS 14. It was not reasonably possible for SGP to avoid contact when it was clear that NZL is not keeping clear, therefore she did not break RRS 14.

Case No. 6

Event: Mixed Two-Person Multihull - Nacra 15	Race(s): 2
Initiator: ITA	Respondent: ESP
Protest details: Mark 2	
Procedural matters:	
The protest is held in conjunction with case N-7 since it refers to the same incident.	
Facts found:	
<p>1- The wind was about 15 to 16 knots at Race 2.</p> <p>2- ITA entered the zone of mark 1a overlapped to leeward and inside of ESP</p> <p>3- ESP became clear ahead of ITA and while bearing away she capsized</p> <p>4- ITA collided ESP on the port rudder, hull and the mast</p> <p>5- As a result of the collision ITA bowsprit broke and minor damage occurred to ESP rudder.</p> <p>6- There was no injury</p> <p>7- Both boats retired from that race.</p> <p>8- ITA was scored UFD on race No 2.</p> <p>9- ITA could not sail on race No 3.</p>	
Conclusion:	
<p>1- ESP as the outside boat at the zone, did not give mark room to ITA as required by RRS 18.2(b)</p> <p>2- It was not possible for ITA to avoid ESP who was capsized; therefore she did not break RRS23 .</p> <p>3- It was not reasonably possible for ESP and ITA to avoid contact with each other; therefore they did not broke RRS14.</p> <p>4- ESP caused serious damage to ITA by retiring from the race which is the appropriate penalty as stated in RRS44.1(b), so she is not further penalized.</p> <p>5- Score of ITA was made significantly worse on race 3 through no fault of her own because the action of a boat that broke a rule of part 2. Therefore she is entitled to redress for Race 3.</p>

Case No. 17

Event: Mixed Two-Person Multihull - Nacra 15	Race(s): 8
Initiator: International jury	Respondent: AUS, AUT
Protest details: RRS 11, RRS 14	
<p>Procedural matters:</p> <p>The international jury protested AUS and AUT under RRS 60.3(a)(1). Heard together with case 14.</p>	
<p>Facts found:</p> <p>Before the start of race 8, AUS was on starboard tack overlapped to leeward of AUT. The distance between the boats was 2.5 boat lengths. There was another boat less than half a boat length to leeward of AUS 5 seconds before the start, AUT accelerated. At the start, AUT luffed and her port astern quarter collided with AUS starboard hull. The collision caused a 5 cm hole on the bow below the water line of the starboard hull of AUS. AUT took a One-Turn penalty. AUS learnt about the damage after coming ashore and she found out that ¼ of the hull were full of water. The results of AUS in races 8 and 9 are: 12, 10. The results of AUS in races 1-7 are: 7, 5, 3, 3, 10, 6, 4.</p>	
<p>Conclusion:</p> <p>AUT to windward did not keep clear of AUS to leeward and broke RRS 11. AUT did not avoid contact and broke RRS 14. It was not reasonably possible for AUS to avoid AUT therefore she did not break RRS 14. As the contact caused serious damage, AUT did not take an appropriate penalty according to RRS 44.1(b). AUS's score was made significantly worse through no fault of her own, by serious damage because of the actions of AUT breaking RRS 11 and therefore she is entitled to redress according to RRS 62.1(b).</p>
